

UKU / BUCS University Indoor National Championships 2013

Location and Timings

The event will take place at Alan Higgs Centre
Allard Way, Coventry CV3 1HW in the main hall.
There is plenty of free parking.

Point of Contact TD: Si Hill (07802 311298)

There will not be a captains meeting, but each team must send a representative to sign-in on arrival in case there is any new information that you need before you play.

They will also need to provide a written roster for the team - i.e. full name of each player. Ideally we would like to receive this BY EMAIL (admin@ukultimate.com) by end of Thursday 21st November.

Set-up in this hall sometimes over-runs by a few minutes. We have the hall available to us all evening, so we are not under any severe time pressure. Start-times on Sat may be subject to slight delay which we would expect to catch up gradually as we go through the day.

Sports Hall

Please remember to take care near the walls! It seems very unlikely that it is worth slamming yourself into a wall to get the disc. It is DEFINITELY TRUE that there is NO SITUATION where it will be worth making a play that causes SOMEONE ELSE to be slammed into a wall!

The main sports hall is 60m x 40m. The two courts will be approx 34m x 16m which leaves loads of space around the pitch. The surface of these pitches is 3G artificial grass / rubber crumb.

Footwear:

You can definitely wear trainers but they are probably not the best option when turning sharply. Nonetheless the sports centre's experience of the surface has led them to recommend that people can and do wear trainers.

I advise that you wear shoes with small rubber pimples/grip (e.g. "Astroturf boots") or football boots with moulded studs.

Do NOT wear blades or long – especially screw-in – studs. There is a danger with either type of doing damage to your ankle and/or the carpet. Players with such boots will be required to change their footwear.

The courts will be marked with a "port-a-pitch" approach (like beach ultimate). It is being set up to keep the movement of the lines to a minimum. We will play to the lines – i.e. "touching the tape" is out of bounds. "Dragging the tape" will not be allowed – the player is out of bounds whether the foot is above or below the line.

Between Games

There is plenty of room in the main hall – but it is not heated. IT CAN BE REALLY COLD IN THERE. The upstairs gallery may be available but we cannot guarantee that in advance. There is also the cafe: open 10am-5pm both days - be aware that hot food sometimes stops in the afternoon.

First Aid & Hospital

The sports centre staff can provide first aid. There will be an ice box at the desk in the hall.

For more serious injuries, the nearest Accident and Emergency department is University Hospital, Clifford Bridge Road, Walsgrave, Coventry, CV2 2DX. Tel: 02476 96 4000 (hospital switchboard).

Please report any injuries at the info desk.

Spirit of the Game

We are using the WFDF SOTG system. Each team is required to fill in the details for each of their opponents. We are doing this as part of an increasing focus on SOTG and determining the kind of support and education that we need to put in place in this area as the game continues to grow in popularity. We publish average SOTG scores.

Note that our policy for Round 1 pools is to make adjustments to the layout of the pools to minimize the number of regional rematches. The arrangement that we have used was the result of making the most appropriate changes/compromises to achieve this.

The following game rules apply:

Game length is 25 minutes

1 timeout per team per game governed by UKU Indoor Rules

i.e. Timeouts may only be taken between points and never in the final three (3) minutes of the game

End of game

At the hooter and regardless of the status of the disc

1. If teams are level or within 1 point
 - (1) then play continues WITHOUT a check
 - (2) finish the point
 - (3) no draws (i.e. Teams play another point if level)
2. If one team is leading by more than one point the game is over.

Note: the start of a point occurs when the previous point is scored.

So - if teams are between points when the hooter goes they would play the point IF they were within 1 at that moment.

Tie-breakers

1. A tie-breaker rule applies equally to all teams that are tied
 - 1.a. If, after application of a rule, all teams are tied, go to the next rule
 - 1.b. If not all teams are tied, but one or more subgroups are tied, separate these teams into groups and go back to rule 2 with each group
2. Win-loss record between only tied teams
3. Points-difference counting only games between tied teams
4. Points-difference counting all games against common opponents
5. Points-scored counting only games between tied teams
6. Points-scored counting all games against common opponents
7. Finishing position at regionals (for teams from same region)
8. Flip disc
