

# LONDON CALLING: *UKU* Tour 1 2011 – Open A and Women's

## 1. Phone Numbers

HQ & Medical Help: 07847 559 228 \*  
*Dave Halls is main point of contact at HQ during the weekend (thanks Dave!)*

TD: Si Hill: 07802 311 298  
TD: Anthony Stevenson 07843 661 596

\* This is a UKU mobile number we've used before at events – you might have it in your phone already.

Medical team and organisers/volunteers have radios. So unless you can see someone, the best thing to do is contact HQ desk who can then find the person you need by radio.

## 2. Arrival

Please sign in on Sat morning and collect your team pack. This will include a copy of the schedule, a pitch map, this document, and score-sheets to be returned when you have a break please.

### 2.1 Cars – Directions and Parking

Detailed direction are in another document on the website. There is a large amount of parking at the venue but it is also a public car park so it can fill up – in which case drive along the track behind the pavilion, turn right over the small bridge and use the overflow grass car-park. Please help by parking in a way that helps us make best use of the space available.

## 3. CAMPING

The camp-site area is a secluded area next to the overflow parking. Players arriving later than 10pm will be met by Anthony or the Security Guard. If you find the gate is closed please call Anthony (07843 661596).

THE CAMPING IS NEAR A RESIDENTIAL AREA (other side of the trees). PLEASE KEEP THE NOISE DOWN AND DO NOT PARTY IN THE CAMPING AREA. NO MUSIC PLEASE! IF WE FAIL AT THIS WE WILL NOT BE ABLE TO CAMP HERE IN THE FUTURE AND OUR GOOD RELATIONSHIP WITH THE VENUE WILL BE DAMAGED.

There is some free breakfast (while stocks last – mainly for the campers) available from 7:00am – 9:00am both days.

### 3.1 Saturday Night

If you are camping at the fields, the obvious places to go on Sat evening are Kingston-Upon-Thames or Putney where you'll find loads of restaurants, bars, etc. Details on public transport (#85 bus) in the transport info doc (on website).

## 4. Venue, Fields, etc

### 4.1 Public Access

The general public has access to this site 24 hours a day as it is a public park. Please bear this in mind and be more careful with your kit and belongings than you might be at more secluded venues.

### 4.2 HQ

The main Tournament HQ Desk is in the marquee in front of the Pavilion.

### 4.3 Spirit of the Game and Results

Please do your SOTG scores, and hand-in the result-sheets in your breaks.

### 4.4 Fields

This year we have 12 fields on the main field, and (unfortunately) 4 fields on the extension field.

Please do NOT run drills on the rugby fields that do NOT have any ultimate fields marked on them. If you need more space to warm up the extension field on the other side of the trees (see pitch map).

You will not be surprised to hear that the ground is pretty hard.

#### **4.5 Medical: First aid and Physio**

The MEDICAL team includes paramedics and Jo Vokes (one of our GB physios).

Jo's main role is to deal with injuries and problems that occur AT THE TOURNAMENT. If she has the time and is willing to give people advice for longer term problems then ok – but she will prioritise issues that arise at the tournament. The venue has an ice machine.

Call HQ for help – they will radio the paramedics or Jo if they are not near the marquee.

#### **Kingston Hospital A&E is very close:**

HQ has a pile of maps/directions to A&E.

Come out of the car park; get into the right hand lane and turn RIGHT off the A3 at the lights. Go up the hill (initially called Kingston Vale, turns into Kingston Hill). You will go past various Kingston University buildings. Shortly after you start going down the hill you will need to turn LEFT at TRAFFIC LIGHTS into Galsworthy Road. The turning is well signed posted. If you reach a roundabout you've gone too far! The hospital is on the right along Galsworthy Road – you can't miss it.

**Main switchboard phone number is 020 8546 7711. A&E is extension 2182 or 6147. Postcode KT2 7QB.**

We are not able to offer the facility of driving players to the hospital, nor sending a volunteer to look after and stay with them.

#### **4.6 Food and Drink**

There will be on sight catering by "Total Hospitality" at base camp (see tournament map) where the TD tent is, which begins at 7am for breakfast which will include;

- bacon butties and the like
- and then a selection of free meats breads and cereals (served between 7 – 9am)

Food will then run all day till 6pm on Saturday and Sunday serving all kinds of health and not so health choices. The menu is as follows;

## **4.7 Toilets and Changing**

*MALE changing areas are rooms #5, #6, #8, #9*

*WOMEN changing rooms: #4 and #10*

*Toilets are well sign posted, and are around the back of the building in the corner nearest to the car-park/camping areas. Toilets and some changing rooms/showers will be open 24 hours a day for the benefit of the campers of course. We have also hired portaloos this year – they are all going to be positioned next to the pavilion's toilets.*

## **4.8 Water**

The ground-staff and organising team will be helping to make sure water is re-filled and distributed to fields. The tap is at the front of the pavilion.

W

We are going to use a set of FIXED WATER POINTS (see pitch map) rather than distributing water to every individual field. Please re-fill your water bottles AT the water point and LEAVE the big bottles where they are. This system allows us to be a lot more efficient, and greatly increases your chances of finding water when you need it.

## **4.9 Rubbish**

There are rubbish bins distributed around the fields. The ground-staff will collect full black bags from the bins throughout the weekend. Tournament staff will bring black bags out to teams that are playing the last game of the day on a given field. Help keeping the site in good order is much appreciated.

Please also tidy up the camping area when you are leaving.

## **4.10 Dog mess**

It's a public park, and there is sometimes some dog or fox mess. We are going to do a sweep of the field on Friday PM and Sat AM to clear up what we can – but we may not find everything. There are bags/hand wipes at HQ. Apologies in advance! Let us know at HQ if the problem is really significant...

ASDA IS THIS WAY  
SAT until 22:00, SUN 11:00-17:00

PICTURE IS NOT TO SCALE ☺
