

London Calling 2011 Open tour B & C

Riverside Lands
Dukes Meadows
Chiswick
London, W4 2SH
United Kingdom

Contact Details:

TD - Nathan Fowler - 07581 128 811

I will either be in the TD tent or around the fields alternatively please contact anyone from Cutty Sharks who will either help or point you in my direction. The TD desk will be manned all day so this should be your first point of call if possible.

Fields

The Fields are very dry and hard, trainers or astro boots are probably the best choice.

Scores and Spirit

Spirit sheets are available from the TD desk and need to be completed before the end of the weekend. Any team not submitting a spirit score will not be eligible to win spirit. Scores need to be reported to the TD desk after every game, or in your break if you are playing two games back to back. Alternatively scores can be sent in via text to the TD number.

Water

We are going to use a FIXED WATER POINT (see pitch map) rather than distributing water to every individual field. Please re-fill your water bottles AT the water point and LEAVE the big bottles where they are. This system allows us to be a lot more efficient, and greatly increases your chances of finding water when you need it..

First Aid

One site First Aid will be available from next to the TD tent. If you require medical attention to the pitches please contact the TD report to the medical tent.

The closest hospital with an A&E is

Charing Cross Hospital
Fulham Palace Road,
Richmond,
London
W6 8RF

Camping

Camping is provided on the training field please keep tents within this area. The flood lights will be kept on until about midnight both nights. BBQ's, fires and dogs are not allowed on the fields.

Showers and changing.

The clubhouse will be open all weekend from Friday night.

There are both men's and women's changing rooms please go in the correct ones. There will be portaloos on the fields in addition to the facilities at the club house.

Friday/Saturday night.

The clubhouse bar will be open until midnight. The venue is happy for players to eat takeaway food in the clubhouse but ask that players do not take in their own drinks. Some local takeaway info will be available from the TD.

Transport and parking

Please park in the car parks by the clubhouse. Do not park on the campsite or on the lane leading to the clubhouse. Cars parked in these locations will be clamped or towed.

For those coming by public transport the best option is to take the over ground from Waterloo to Barnes Bridge. This service is operated by South West Trains (www.southwesttrains.co.uk) The first train on Saturday runs at 06:22 arriving at 06:44. Trains run pretty much at these times past the hour all day – 07,22 ,37, 52.

On Sunday the first train runs at 07:50 and arrives at 08:11 trains are only once an hour and are at 50 min past the hour all day.

For those traveling between the two venues the best option is either to drive there is a map available at both TD desks and on the event page.

Alternatively the train runs between Barnes Bridge and Putney from where you can get a number 85 bus to the fields used for A and Women's tour.

There will be copies of train timetables and maps with the TD.
