GAME INFO

ALL GAMES ARE 22 MINUTES LONG - there is a very short turnaround. The next game can start as soon as both teams are ready. Otherwise the clock will start after 1 minute anyway.

We are using the latest UKU Indoor Rules. Do not expect TD or Scorers to help you with these or to know them on your behalf. There will be a printed copy at organiser's desk in each hall. It is NOT intended that these be used to resolve issues that occur during a game.

TIMEOUTS: 1 per team per game. Cannot be called in the last 3 mintues.

END OF GAME

The game ends when the final whistle (or maybe hooter) is blown.

If the disc is in the air, the play may be completed. I.e. if a scoring catch is made, then the point stands. If there is a foul (contested or otherwise) the disc does NOT go back.

If the scores are level

DRAWNS ARE PERMITTED in pool play (pools A-D)

In all later rounds (including the Women 9-13 pool) draws are not permitted so continue playing to determine a winner.

There is no stoppage of play, and NO CHECK at the final whistle
