

Information Pack

Welcome to UMWON; we hope you have an enjoyable and competitive weekend. We believe the information contained in this pack will facilitate this. The TD's are contactable on the numbers and emails in this pack if you have any queries prior to the event, or on the day.

Best of luck.

Si Hill.

On site contact

Si Hill: 07802 311 298 si.hill@ukultimate.com

Dave Halls: 07906 711 888 dmhalls1988@gmail.com

The medical team and TDs will also all be in contact all weekend via radio.

Upon arrival, please report to the Tournament HQ to pick up your team disc and water.

There is ample parking on site at this venue – you will be directed by marshals when you arrive.

Important things to note:

1. **NO DOGS.** If your parents are planning to pop down and watch, please let them know.
2. **New Changing Rooms in use:** The two large new buildings are now in use, containing ample changing rooms and toilets (toilets are inside the male and female changing rooms).
3. **USE THE TOILETS!** The groundsman lives on site with his family. He was not pleased that people at some previous events were urinating on the hedge right beside his house. Please show some respect.
4. **Keep hold of your water bottles.** You'll be given large water bottles; these are for you to refill all weekend, and for us to recycle afterwards. If you lose them, you'll be thirsty. You don't get more on Sunday morning. They can be refilled in the changing room buildings – see below.

Communication

If changes are necessary (e.g. pitches out of action) we will communicate them via the twitter account **@UKUltimateEvent**. If you don't have access to twitter (and none of your team does?) then you'll need to pass by the TD desk regularly for any updates. See the UKU Communication Protocol:

http://ukultimate.com/newsletter_issue/uku_event_communication_protocol

Paper and Printing

We don't intend to print large amounts of information for teams. You will be able to see the schedule on <https://goo.gl/781lvS> and this will be updated as often as possible during the tournament (for those who wish to follow along at home).

Of course, we'll also have a large up to date copy of the schedule at the TD desk. If you require a paper copy of the schedule, or of this pack, please print them and bring with you.

Spirit of the Game scores

Spirit scores will be entered through an online form, which can be found here:

<http://goo.gl/G5V2Kg>

You should be able to access the form on your smartphone (or one of your team-mates' phones – some models seem to struggle more than others) and facilities may be available at the TD desk to input your scores if you can't get it to work. Please note though that we do not have power at this site, so we would very much appreciate it if you could try a few team-mates' phones before running down the TD's batteries...

Please enter scores as promptly as you are able – in particular, we expect to award a spirit trophy based on the results that have been entered before the presentation. If you fail to enter your scores on the day, it is of course still worth entering them later as it improves the feedback your opponents receive, but if you can enter them on the day it would be far better.

(If you end up, a week after the tournament, with the highest spirit – but someone else took the trophy – that's hard luck I'm afraid. Take it up with the teams who submit late!)

Fields

The pitch map can be found at the end of this pack. There are a few spare pitches which we may use as needed, and 20 fields in normal use.

There will be ample marquee space, and furniture for use in between matches if you so wish, as well as plenty of shelter in the changing room blocks.

Please keep an eye on the Uni FB groups and the @ukultimateevent twitter for pitch map updates nearer the time.

Accidents and Emergencies

There will be 4 physios, 2 first aiders, and an ambulance with 2 crew on site all weekend. They will be available to treat you for most incidents, and will mostly be based in one of the changing blocks. (We will possibly put two physios in each changing block if we can). If you require help, please contact the TDs or any volunteer with a radio, as they can quickly contact the right people.

For injuries requiring hospital treatment, the nearest A&E department is 1.5 miles away at the Queens Medical Centre (Nottingham University Hospitals)- NG7 2UH. Main switchboard number: 0115 924 9924

We are not able to offer the facility of driving players to the hospital, nor sending a volunteer to look after and stay with them.

Water

You will be able to fill your water bottles from the taps inside the new buildings (we do not believe the outside taps will be available this year). The main water point (big enough to fit large bottles under) should be at the end of the corridor as you first come into the building, but will be signposted as best we can also. There should also be the option of using the tap in the kitchen. We will also provide each team with two 5L water bottles that you can refill to make sure you have something near your pitch to refill your personal water bottles. Please collect these on arrival, and keep with you for the whole two days or you will get very thirsty. We will be recycling these after the event – so please do hand them in to the tent as you leave.

Food

There will be a catering company on site all weekend, selling a range of hot and cold foods, and beverages; including some healthy options. They claim to be bringing their pizza oven and pasta cooker this year too! The caterers will be located near the TD desk and marquee/furniture area.

The nearest shop to the venue is a Co-Op on Clifton Lane, not far from the site (NG11 7AX). In terms of restaurants, Nottingham centre isn't far at all from the site.

Swag!

Lookfly/VC will kindly be on site selling some highly desirable and exclusive swag of an intensely fashionable nature, as well as providing much fun at their merch and games tent. Pop in and see them!

“Lookfly is proud to offer players top-quality UK Uni Nats merchandise this weekend, as well as a full shop full of Lookfly and VC branded gear. Be sure to swing by and check out all of the new Lookfly styles and have a chat about how we can make your team's uniform dreams a reality.

Adriana Withers

VC Ultimate Inc.”

Location

The site is Grove Farm Playing Fields. For satnavs, use postcode **NG7 2SA**.

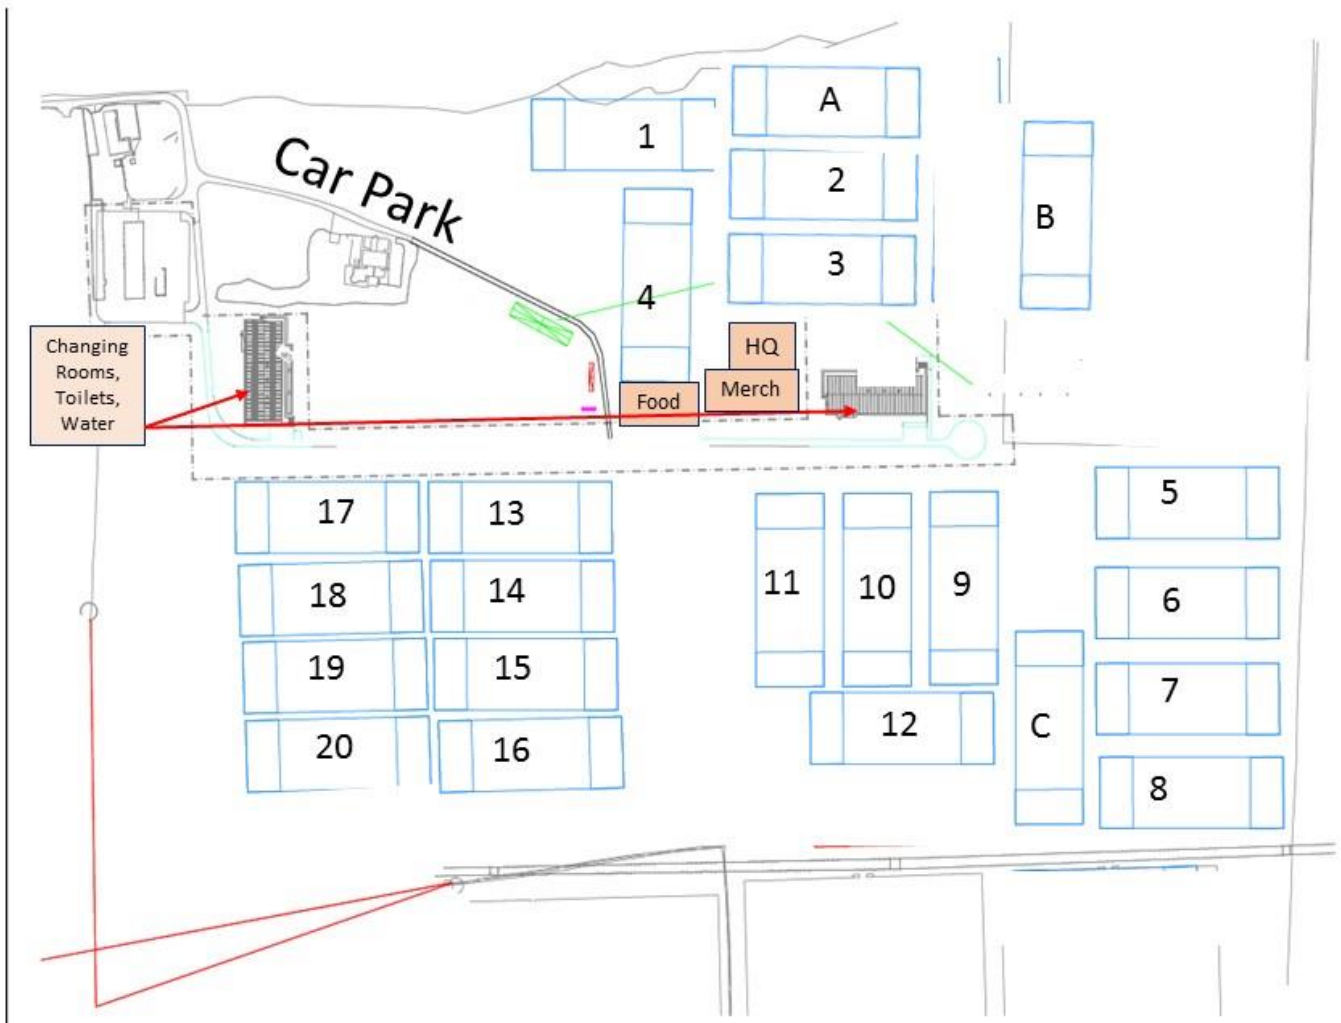

For taxis, please use the Powerleague car park at the north side of the playing fields, this is on Thane Road, NG7 2TG. Please do NOT direct taxis to the tournament site itself – it's a single-track road, and taxis coming out will block the whole thing for cars coming in.

Taxis: Nottingham Cars (0115 970 0700), **1st Call Minibuses** (0115 911 8755), **Nottingham Taxis** (0115 832 0036)

Schedule

All game rules, lengths, formats etc. are listed on the schedule itself.

Game times will be offset to help with queuing (at the food, or when parking etc.). Please make sure you have at least a vague sense of time so that you can work out whether a hooter applies to you or to other pitches!

Discraft sponsor all UK Ultimate tournaments and are of course the suppliers for your team disc at this event.

We wish you the best of luck for the weekend and hope you have a great time.
