

# Information Pack

---

Welcome to UKU Open & Women's Tour 2; we hope you have an enjoyable and competitive weekend. We believe the information contained in this pack will facilitate this. The TD's are contactable on the numbers and emails in this pack if you have any queries prior to the event, or on the day.

Best of luck.

Benji, Dave, Pugh & Si.

## Important things to note:

1. **NO DOGS.** If your parents are planning to pop down and watch, please let them know.
2. **Stay out of the building site.** Lots of building work is going on at the site this year – which is all good, as next year there'll be usable buildings on site. However, in the meantime we need to be a little careful.
  - a. Use the **crossing points** (which will be marked on the pitch map) to get over the 'road' connecting the two major building site areas.
  - b. We'll try to retrieve discs from the sites when we can, via the groundstaff. **Please** ask us rather than trying to get through the fence, or the venue will be seriously annoyed.
3. **USE THE TOILETS!** The groundsman lives on site with his family. He was not pleased that people at MT2 were urinating on the hedge right beside his house. Please show some respect.

## Communication

If changes are necessary (e.g. pitches out of action or changes to cap rules) we will communicate them via the twitter account **@UKUltimateEvent**. If you don't have access to twitter (and none of your team does?) then you'll need to pass by the TD desk regularly for any updates.

## Paper and Printing

We don't intend to print large amounts of information for teams. You will be able to see the schedule on this link, and nearer the time brackets and pools pages will be added where you can follow results throughout the tournament.

<http://goo.gl/ksXvgW>

Of course, we'll also have a large up to date copy of the schedule at the TD desk. If you require a paper copy of the schedule, or of this pack, please print them and bring with you.

### Spirit of the Game scores

All spirit scores will be entered through a google form –

Open: <http://goo.gl/q4HNfQ>

Women: <http://goo.gl/4OUE4f>

You should be able to access the form on your smartphone (or one of your team-mates' phones – some models seem to struggle more than others) and facilities may be available at the TD desk to input your scores if you can't get it to work. Please note though that we do not have power at this site, so we would very much appreciate it if you could try a few team-mates' phones before running down the TDs batteries...

Please enter scores as promptly as you are able – in particular, we expect to award a spirit trophy based on the results that have been entered before the presentation. If you fail to enter your scores on the day, it is of course still worth entering them later as it improves the feedback your opponents receive, but if you can enter them on the day it would be far better.

(If you end up, a week after the tournament, with the highest spirit – but someone else took the trophy – that's hard luck I'm afraid. Take it up with the teams who submit late!)

At London Calling, we had an unspectacular number of spirit scores handed in on time; please do try to help us out with this. We've released this information very early, and we've removed some of the categories from the form to make it slightly quicker. Find a phone that can handle it, save a bookmark to the webpage, and you'll be all ready to go after each game.

## Fields

A field map will be distributed separately to this pack. Showers and toilet facilities will be located primarily in the changing rooms, and portaloos available near the marquees and also out by the furthest fields. **Please use the changing rooms whenever possible** – the portaloos are an addition to these, not a replacement. The TD desk, caterers, physios, and first aiders will be at the marquees. There will be ample marquee space, and furniture for use in between matches if you so wish; these are all found at the TD desk.

## Accidents and Emergencies

There will be 3-4 physios, 2 first aiders, and a Red Cross ambulance with two staff on site throughout the weekend. They will be available to treat you for most incidents, and will mostly be based at the main marquee area. (We will try, weather permitting, to station some medical staff nearer the far fields). If you require help, please contact the TDs. For injuries requiring hospital treatment (but not serious enough to justify the ambulance leaving the site), the nearest A&E department is 1.5 miles away at the **Queens Medical Centre (Nottingham University Hospitals)- NG7 2UH. Main switchboard number: 0115 924 9924**

Printed maps will be available from the TD Desk should you require one. We are not able to offer the facility of driving players to the hospital, nor sending a volunteer to look after and stay with them.

## Water

We will be using fixed water points, as marked on the pitch maps. Please note that refilling these containers takes some time, so if possible, fill your water bottles in the changing rooms at the entrance to the site whenever possible.

## Food

There will be a catering company on site all weekend, selling a range of hot and cold foods, and beverages; including some healthy options. The caterers will be located by the TD desk and marquee/furniture area.

The nearest shop to the venue is a Co-Op on Clifton Lane, not far from the site (NG11 7AX). In terms of restaurants, Nottingham centre isn't far at all from the site.

## Location

The site is Grove Farm Playing Fields. For sat navs, use postcode **NG7 2SA**.

For **taxis**, please use the Powerleague car park at the north side of the playing fields, this is on **Thane Road, NG7 2TG**. Please do NOT direct taxis to the tournament site itself – it's a single-track road, and taxis coming *out* will block the whole thing for cars coming in.

**Taxis: Nottingham Cars (0115 970 0700), 1<sup>st</sup> Call Minibuses (0115 911 8755), Nottingham Taxis (0115 832 0036)**

## Schedule

A, B and Women's games will be 80 mins long, with a 20 min gap. C tour games will be 60 mins long with a 20 min gap, but will play more games. Play will start for at least some teams at 9am each day. Please see the schedule for more details.
