Games marked 'RR' are round-robin games - it's a mini-league of those few teams, so don't change seeds when you win or lose. For bracket games (i.e. everything else after initial pools) the winner takes the lower-numbered seed, and the loser takes the higher, for the next game.

Formats

Juniors:

5 team round robin

Schools Championships - Year 11 & Below

4 pools of 4/5

Quarter final bracket 1-8; round robin 9-12; bottom 6 teams in 2 pools of 3 followed by a placement game

Schools Championships - Year 8 & Below

4 pools of 3/4

Quarter final bracket 1-8, with 9-14 playing 2 pools of 3 and a placement game to finish

Rules

Juniors (Pool A):

Games are 45 mins, first to 13 points

There is a two-minute half time when one team reaches 7 points.

When time is over, finish the point and reduce the points-cap to the current highest score +1; never exceed 13.

A new point starts as soon as the previous goal has been scored.

There is one two-minute time-out per team per game, which may be taken at any time (including the cap).

Schools Championships - Both Divisions

Games are 20 mins, first to 11

No time-outs, no half-time

When time is over, finish the point. Draws are allowed in pool play.

A new point starts as soon as the previous goal has been scored.

If bracket matches are tied after completing the point, play a sudden death point.
