## Game Rules

All games will be played according to WFDF Rules of Ultimate 2017.

### Saturday:

70 minutes, game to 15, 2 minute half at 8. Three time-outs per team per game (no more than 2 in either half)

### Sunday:

80 minutes, game to 15, 2 minute half at 8. Three time-outs per team per game (no more than 2 in either half)

### When time is up, finish the point then reduce points target to current highest score +1, but never exceed the original target

Time-outs may be taken in the cap, which forms part of the second half.

### Late Arrival

If your opponent is late for the game without good reason, they will be given 5 minutes grace and then the team that was on time will assess a point against them, plus another point for every 2 additional minutes (until they are ready to play, or the point cap is reached).

This will not apply if the team is late for reasons such as errors in the schedule, or bad information from TDs, or previous games overrunning -

but may apply if they had themselves made an error reading the schedule or had been stuck in traffic etc. UKU or the TDs will rule on any unclear situations.

Teams without an opponent should be aware that they are obliged to try and find them and to notify the TDs - it is not acceptable to sit there quietly and hope to win by forfeit.

## Hard Cap

In case of strong wind making scoring hard, we do need a way to finish games.

In good weather, we expect any overruns to be very rare and these rules will NOT apply.

In bad weather, however, we run the risk of too many games struggling to finish, and we need rules to enable us to cope.

These rules, if and only if implemented, would apply to ALL GAMES.

These rules may be implemented in advance, or part way through the day due to deteriorating weather. We will endeavour (but do not guarantee) to inform teams in person, and will of course communicate through the usual channels (i.e. @ukultimateevent on Twitter, and notices at the TD desk).

- 1) Hard cap will apply immediately when the hooter sounds to START the next game
- 2) Finish the possession.
- 3) ONLY if the game is tied, finish the point.
- 4) No time-outs in hard cap
- 5) The subsequent game may be shortened by up to 5 mins to accommodate the finish, or may be moved to an empty pitch (or self-timed if delayed by more than 5 minutes and no spare pitch is available)
- 6) Obviously the TDs also reserve the right to make additional decisions on the day - e.g. if no point has been scored for a very long time, a resolution must be found, particularly if the teams involved are playing a back-to-back game afterwards. That may mean agreeing a draw in pool play, or finding another method of settling a knockout game. We hope that will never happen - but it might!
