

Location

The venue address is:

Old Alwynian Rugby/Cricket Clubhouse and Grounds
Dulwich Common, London, SE21 7HA

There is parking available on site, and the venue is a short walk from West Dulwich (10-15 minutes), Tulse Hill (25-30 minutes), or North Dulwich (25-30 minutes).

Food

There will be a BBQ and soft drinks available on both days, put on by the rugby club. They can accept cash or card!

The shops nearby are a little sparse - we suggest you bring food and drink with you if don't plan on making use of the BBQ. There is a Sainsburys local about 15 minutes' walk away (through Dulwich park).

Clubhouse

There is a clubhouse on site for toilets and shelter. There may be another group at the bar on the Sunday, so be aware the room may not all be available to us.

Showers

We only have one set of showers available, so will be using the following system.

01-30 in the hour for males
31-00 in the hour for females

Please follow this rule for the shower block throughout the day - we will start policing it from when games begin to end, and you won't be allowed in the 5 minutes before a new time slot starts.

Health and Safety

Players should bring sufficient clothing to keep dry and warm in inclement weather, and enough water and sun protection if we get some sun. There'll be first aiders on site to deal with more serious injuries and they will be based in the clubhouse. For reference, the nearest hospital with an A&E is:

King's College Hospital
Denmark Hill
Brixton
London
SE5 9RS

Pitches
