4.1 Public Access	2
4.2 HQ	2
4.3 Spirit of the Game and Results	2
4.4 Fields	2
4.5 Medical: First aid and Physio	2
4.6 Food and Drink	3
4.7 Toilets and Changing	3
4.8 Water	3
4.9 Rubbish	3
4.10 Dog mess	3

## 1. Phone Numbers

HQ & Medical Help:	07847 559 228 *
TD: Si Hill:	07802 311 298
Dan Berry:	07834 209 262
JJ – Friday night	07515 023 629

\* This is a UKU mobile number we’ve used before at events – you might have it in your phone already.

Medical team and organisers/volunteers have radios. So unless you can see someone, the best thing to do is contact HQ desk who can then find the person you need by radio.

## 2. Arrival

Please sign in on Sat morning and collect your team pack. This will include a copy of the schedule, a pitch map, this document, some poo-bags ☺ (see below), score-sheets to be returned when you have a break please, and a team-disc (this is your team’s game disc for the weekend).

### 2.1 Cars – Directions and Parking

Detailed direction are in another document on the website. There will be a Discraft and/or Lookfly banner on the fence/gate to help you spot the venue from the road. There is a large amount of parking at the venue but it is also a public car park so it can fill up – in which case drive along the track behind the pavilion, turn right over the small bridge and use the overflow grass car-park. Please help by parking in a way that helps us make best use of the space available.

## 3. CAMPING

The camp-site area is a secluded area next to the overflow parking.

Players arriving later than 10pm will be met by Ian (Security) or our Welcome Team: JJ, Dom and Richard.

If you find the gate is closed please call JJ (07515 023 629), or Ian (07792 183 692) if you are really late.

THE CAMPING IS NEAR A RESIDENTIAL AREA (other side of the trees). PLEASE KEEP THE NOISE DOWN AND DO NOT PARTY IN THE CAMPING AREA. NO MUSIC PLEASE! IF WE FAIL AT THIS WE WILL NOT BE ABLE TO CAMP HERE IN THE FUTURE AND OUR GOOD RELATIONSHIP WITH THE VENUE WILL BE DAMAGED.

Campers’ breakfast will be available from 7:30am on Saturday and 7:00am Sunday.

### 3.1 Saturday Night

If you are camping at the fields, the obvious places to go on Sat evening are Kingston-Upon-Thames or Putney where you’ll find loads of restaurants, bars, etc. Details on public transport (#85 bus) in the transport info doc (on website).

## 4. Venue, Fields, etc

### 4.1 Public Access

The general public has access to this site 24 hours a day as it is a public park. Please bear this in mind and be more careful with your kit and belongings than you might be at more secluded venues.

### 4.2 HQ

The main Tournament HQ Desk is in the marquee in front of the Pavilion. Alan Pearce (you may recognise him from the telly) will be manning the desk most of the time – but of course a few of us will be there at various times. Whatever – call **07847 559 228** to speak to whoever is there.

### 4.3 Spirit of the Game and Results

We are using the latest WFDF Spirit of the Game scoring system. I appreciate it's extra work to complete the information on these things, but we are looking to find systems to help us identify and support teams that are struggling with SOTG....!

Please do your SOTG scores, and hand-in the result-sheets in your breaks.

### 4.4 Fields

All of the fields are on the main REMPF field – around the Harlequins training fields.

**You'll notice that this year we have access to some of the rugby fields. Please do NOT run drills on the rugby field that does NOT have any ultimate fields marked on it. If you need more space to warm up there is another enormous extension field on the other side of the trees (see pitch map)**

The ground is pretty hard – although we've recently had a bit of rain – and some more is forecast. The grass has been left relatively long (i.e. not cut for football).

Some pitches will have two sets of lines on them (sorry) as we turned some around to get them away from some ground that was too rough.

### 4.5 Medical: First aid and Physio

The MEDICAL team of Jo and Monica will be based in the marquee – or possibly one of the rooms in the pavilion.

NB – their main role is to deal with injuries and problems that occur AT THE TOURNAMENT. If they have the time and are willing to give people advice for longer term problems then that is up to them – but they will prioritise issues that arise at the tournament. The venue has an ice machine.

Call HQ for help – they will radio Jo or Monica if they're not in the marquee.

#### **Kingston Hospital A&E is very close:**

HQ has a pile of maps/directions to A&E.

Come out of the car park; get into the right hand lane and turn RIGHT off the A3 at the lights. Go up the hill (initially called Kingston Vale, turns into Kingston Hill). You will go past various Kingston University buildings. Shortly after you start going down the hill you will need to turn LEFT at TRAFFIC LIGHTS into Galsworthy Road. The turning is well signed posted. If you reach a roundabout you've gone too far! The hospital is on the right along Galsworthy Road – you can't miss it.

**Main switchboard phone number is 020 8546 7711. A&E is extension 2182 or 6147. Postcode KT2 7QB.**

We are not able to offer the facility of driving players to the hospital, nor sending a volunteer to look after and stay with them.

## **4.6 Food and Drink**

Food and drinks are on sale from Smash-in-Skins in front of the main pavilion. They are set up to be serving in time for breakfast both days. We will also have some supplies available (free) for breakfast – but this is for people who are camping. Campers: BRING YOUR OWN bowl/disc and spoon. We are also arranging for some supplies of fruit to be available. In both cases there will NOT be enough for every player at the tournament to fill their boots.

There is an ASDA supermarket that is a short walk from the fields. Be aware that although they claim to be 24-hour it is shut on Saturday evening at 22:00, and only open from 11:00 – 17:00 on Sunday.

## **4.7 Toilets and Changing**

*MALE changing areas are rooms #5, #6, #8, #9*

*WOMEN changing rooms: #4 and #10 on Sat AM and Sun PM.*

*Only #10 is available on SUNDAY MORNING*

*Toilets are well sign posted, and are around the back of the building in the corner nearest to the car-park/camping areas. Toilets and some changing rooms/showers will be open 24 hours a day for the benefit of the campers of course. We have also hired portaloos this year – they are all going to be positioned next to the pavilion's toilets.*

## **4.8 Water**

The ground-staff and organising team will be helping to make sure water is re-filled and distributed to fields. The tap is at the front of the pavilion.

We are going to use a set of FIXED WATER POINTS (see pitch map) rather than distributing water to every individual field. Please re-fill your water bottles AT the water point and LEAVE the big bottles where they are. This system allows us to be a lot more efficient, and greatly increases your chances of finding water when you need it.

## **4.9 Rubbish**

There are rubbish bins distributed around the fields. The ground-staff will collect full black bags from the bins throughout the weekend. Tournament staff will bring black bags out to teams that are playing the last game of the day on a given field. Help keeping the site in good order is much appreciated.

Please also tidy up the camping area when you are leaving.

## **4.10 Dog mess**

It's a public park, and there is sometimes some dog or fox mess. We are going to do a sweep of the field on Friday PM and Sat AM to clear up what we can – but we may not find everything. We will put plastic bags in the team pack. There are additional bags/hand wipes at HQ. Apologies in advance! Let us know at HQ if the problem is really significant...

ASDA IS THIS WAY  
SAT until 22:00, SUN 11:00-17:00

PICTURE IS NOT TO SCALE ☺
