Note that our policy for Round 1 pools is to make adjustments to the layout of the pools to minimize the number of regional rematches. The arrangement that we have used was the result of making the most appropriate changes/compromises to achieve this.

The following game rules apply:

**Game length is 23 minutes**

**1 timeout per team per game** governed by UKU Indoor Rules  
i.e. Timeouts may only be taken between points and never in the final three (3) minutes of the game

**End of game rules**

At the hooter and regardless of the status of the disc

**IF TEAMS ARE LEVEL then**

1. Play continues without a check
2. Finish the point to determine the winner

**IF TEAMS ARE WITHIN 1 POINT then**

1. Play continues without a check
2. Finish the point
  - 3a. If the leading team scores then the game is over, OR
  - 3b. If the game is now tied, then play another point to determine the winner.

**IF TEAMS ARE 2 OR MORE POINTS APART then the game is over immediately.**

Note: the start of a point occurs when the previous point is scored.  
So - if teams are between points when the hooter goes they would play the point IF they were within 1 at that moment.

**Tie-breakers**

1. A tie-breaker rule applies equally to all teams that are tied
  - 1.a. If, after application of a rule, all teams are tied, go to the next rule
  - 1.b. If not all teams are tied, but one or more subgroups are tied, separate these teams into groups and go back to rule 2 with each group
2. Win-loss record between only tied teams
3. Points-difference counting only games between tied teams
4. Points-difference counting all games against common opponents
5. Points-scored counting only games between tied teams
6. Points-scored counting all games against common opponents
7. Finishing position at regionals (for teams from same region)
8. Flip disc
