Game rules

All games 55 minutes. Game to 13, with a 2 min half at 7.

Soft Cap: When time is up, finish the point then reduce points target to current highest score +1, but never exceed 13

1 time-out per team per half (lasting 2 minutes); this may be taken in the soft cap.

Hard Cap

In case of strong wind making scoring hard, we do need a way to finish games.

In good weather, we have enough spare pitches that we will rearrange things to allow games to overrun if necessary and these rules will not apply.

In really bad weather, however, we run the risk of too many games going over, and we need rules to enable us to cope.

These rules, if and only if implemented, would apply to ALL GAMES.

These rules may be implemented in advance, or part way through the day due to deteriorating weather.

- 1) Hard cap will apply immediately when the hooter sounds to START the next game
- 2) Finish the possession.
- 3) Only if the game is tied, finish the point.
- 4) No time-outs in hard cap
- 5) The following game may be shortened by up to 5 mins to accommodate the finish, or may be moved to an empty pitch (or self-timed if delayed by more than 5 minutes and no spare pitch is available)
- 6) Obviously the TDs also reserve the right to make additional decisions on the day - e.g. if no point has been scored for a very long time, a resolution must be found, particularly if the teams involved risk exhaustion and have other games still to play that day. That may mean agreeing a draw in pool play, or finding another method of settling a knockout game. We hope that will never happen - but it might!

Late Arrival

If your opponent is late for the game without good reason, they will be given 5 minutes grace and then the team that was on time will assess a point against them, plus another point for every 2 additional minutes.

25 minutes after the game should have started, it will be awarded 13-0 to the team who were there on time.

Obviously this will not apply if the team is late for reasons such as errors in the schedule, or bad information from TDs, or previous games overrunning - but may apply if they had themselves made an error reading the schedule or had been stuck in traffic etc. The TDs will rule on any unclear situations.
